Shawn Wright's Surgery set for 6/22/09

Shawn Wright is scheduled for surgery at Egleston Children's Hospital on Monday, June 22 at 10:30 am. His surgery should take about 3 hours and he will most likely be in ICU for at least a day after his surgery.

Please keep Shawn Wright and his family in your prayers.

Once we get the word that he is able to have visitors, Troop 985 will organize visits to help keep his spirits up. Any updates received will be forwarded to the troop. Please respect the family's need for space and privacy during this time.
